SUNCANI TAMBURITZA ORCHESTRA

**The South Florida Tamburitza Orchestra** was conceived in December 2017 by Director Edo Sindicich with the help of Danko Grgas the President of the Croatian-American Cultural Club of Deerfield Beach, Florida. A call for tamburitza instruments was put out on Facebook and in the Zajdencar and then within six months the group had received 18 donated tamburitza instruments from all over the country. Initially in the Spring of 2018, a junior tamburitza group was formed, but due to the lack of interest in rehearsal participation it was disbanded in May of 2018.

An adult group was then formed and the first music lessons began Monday, September 24, 2018. None of the members of this new orchestra had ever played a tamburitza before so the first weeks were used to learn how to play the tamburitza and read music. Because of the dedication and hard work of the members of this orchestra, it has progressed faster than most and by December 16, 2018 the orchestra held its first public performance for the Children's Christmas Party at the Croatian-American Cultural Club after just 15 weeks of lessons.

This past year our orchestra performed for the first time in the CFU Adult Tamburitza Festival with 29 other orchestras in Hershey, PA. It was a weekend of non stop music, kolo dancing and singing.

It is with great pleasure to inform everyone that our orchestra will be going to Chicago October 30 - Nov. 1, 2020 to participate at the next Adult Tamburitza Festival. Anyone wishing to join us for a fun filled trip to Chicago is welcome to come along.

You won't regret it.

Even through the holiday season these dedicated musicians continued rehearsals in preparation for their Second concert on March 21, 2020. The group also performed at a local nursing home, playing Christmas Carols for the residents and played again for the children's Christmas Party.

We are very proud of our combo who were guests on WLRN FM The Michael Stock Folk Music Show last spring and were interviewed about our culture and played some popular Croatian songs for the audience. Michael Stock has again asked us to be on the show this spring.

This past fall another historic accomplishment was achieved by the formation of the only CFU Lodge in South Florida. Lodge number 2019 ! If you would like to support our Croatian heritage please ask any orchestra member how to join or transfer into our lodge.

We would especially like to thank Pam Sutko who has worked tirelessly to sell many, many Ad's for our program book. FALA!

New members are always welcomed and even you have never read music before, we will teach you. Rehearsals are held every Monday at 7:00 pm at the Croatian-American Cultural Club and anyone nine years old and up is invited to join us.
